

Workmanship

In developing SGM finishes, we made ease of maintenance a top priority as a sign of our commitment to achieve the highest quality standards. SGM warrants its aggregate products against failure for the term of your selected pool finish, **this warranty excludes damages due to workmanship, structural failure or physical abuse of the pool. All claims regarding workmanship should be directed to your contractor or applicator.** Please make sure to register your warranty and read carefully our Initial Fill & Balance and Water Chemistry recommendations in order to ensure a successful start-up.
